University of Akron Math Placement Test (Mobius) Login Information
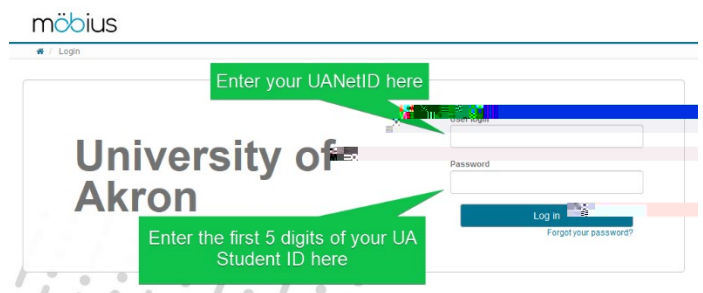

Before You Take a Test: You will receive information and access for placement testing through New Student Orientation, Academic Advising, Admissions or Academic Unit. These offices will provide you information on which placement test(s) you will need.

Math placement tests can be taken online from home or in a University of Akron testing lab. Below are the instructions for taking the Math placement tests from home.
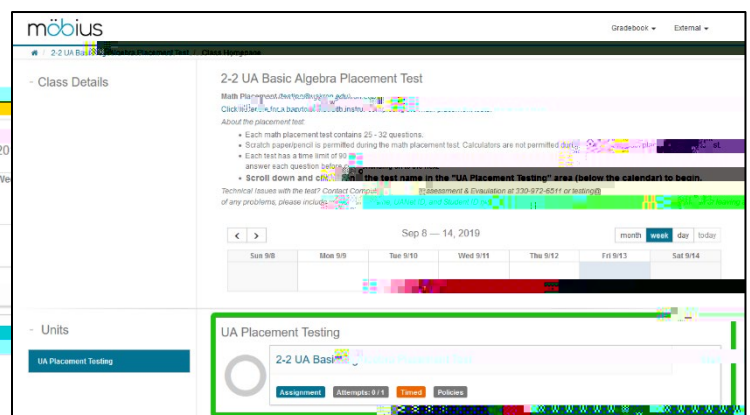

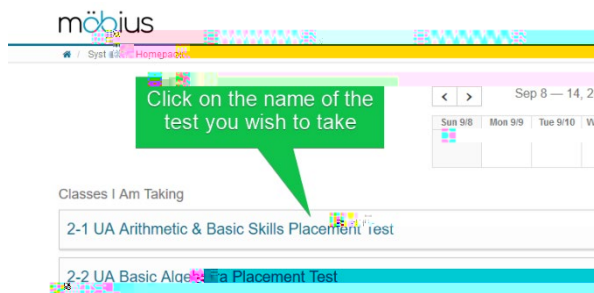

Please note that calculators are not permitted for math placement tests, however you may use scratch paper and pencil.

Accessing the Math Placement Test Online:

1. Your **User Login** is your **UAnet ID** (for example; abc1).
2. Your password is the first 5 digits of your UA Student ID number. (Your UA Student ID number consists of 7 digits, no letters – use only the first 5 here).
3. Go to https://uakron.mobius.cloud to log in into the Math Placement Test.
4. You may be prompted to take a "tour" of the site. Click on "End Tour" to close the tour and proceed to the test.
5. Scroll down and click on the name of the test y Begin a test

by clicking on the test name.

6. While taking the test, do not click "Submit Assignment" until you have completed all of the test questions. To move to the next question click the "Next" button. You will not be able to return to a question you have skipped, so answer each question before continuing on to the next.

7. Please allow at least one week for your placement test scores to be available to your academic advisor.

About the placement test:

- Each math placement test contains 25-52 questions.
- Scratch paper/pencil is permitted during the math placement test. Calculators are not permitted during the math placement test.
- Each test has a time limit of 90 minutes.
- For incoming students, placement testing scores will be reviewed and discussed during a student's Advising & Registration day with their academic advisor.
- For current students, please allow at least one week ft (c)-86523at lt eaem3at at l acacuss
